### **Big idea**

Paul exhorts believers to be united as one people of God, being built up by different God-given gifts that they may mature to the fullness of Christ.

### **Aim of passage**

Believers are to be united, building one another with Christ's gifts, and growing to maturity.

### **Outline**

1. Be united as the body of Christ (4:1-6)
  
  
  
  
  
  
  
  
  
  
2. Victorious Christ gives gifts to His body (4:7-10)
  
  
  
  
  
  
  
  
  
  
3. Different gifts to build the body of Christ (4:11-16)

Think about ...

Since we are chosen to be God's people and are thus called to unity as one body, and to build the body to maturity through our God given gifts,

a. how will we work this out

(i) in the way we relate to one another in SYFC?

(ii) in the church you worship at?

b. how do you see yourself building the church at large ?
