Conclusion

Application

1. Pray for a greater desire to read and obey Jesus' words. Pray for a greater appreciation of God's love and mercy toward us so that we can love our enemies.
2. Identify who your enemies are because of your faith and think of how you can love them practically?
3. Evaluate if you are devoting sufficient time to studying and reading of God's words and if you are a doer of the Word. If not, what discipline should you build in place to ensure that your foundation in the Word is strong and you are applying the Word of God in your daily living.
