

Is Jesus really the One?

Luke 7:18-35

The understanding of who Jesus is, **shapes our view of true significance**; we're **privileged** if we live under the rule of Jesus

The understanding of who Jesus is, **steers us away from our prejudice & pride**; we're **wise** if we accept the truth concerning Jesus

The understanding of who Jesus is, **stems from God's work & word**; we're **blessed** if we don't turn away from Jesus

What does it mean for me practically to **keep sharpening & being shaped by my understanding of Jesus?**
