

## Luke 7:36-50

Parable of the two debtors

**50-denarii-kind** vs. **500-denarii-kind**

1. A **insider** who thinks he doesn't need much forgiveness from God
  - a. Demonstrate an exalted view of self in the presence of others
    - Practices social distancing literally
    - Judges & stands above Jesus(Compares others by his own measures)
  - b. Show little love - little need & apprec for Jesus
    - Maybe we see sin lightly

Jesus is **more than a prophet**; He is the **Messiah & Saviour**

## Who Is The True Host To Jesus?

2. An **outsider** who knows she needs plentiful forgiveness from God
  - a. Demonstrate a humble view of self in the presence of Jesus
    - Expresses love in lowliness & action
    - Sees the debt of her sins & overwhelmed by Jesus' acceptance
  - b. Show much love - great need & apprec for Jesus
    - See the weight of sin & extent of forgiveness (effected by faith in Jesus)

## Reflection

- a. What kind of debtor are you before Jesus - the 500-denarii-kind or 50-denarii-kind?
- b. What is the extent of your love to Jesus who has forgiven you over & over again?
