

AIM in Ministry

Authentic ministry (v.1-6)

We are not self-serving (e.g. not playing to the crowd, not being enslaved by money, not being hypocritical)

Indestructible ministry (v.7-9)

God's word & the gospel cannot be silenced; it will reach its impact & not be futile

Multiplied ministry (v.10-17)

Perennial challenge: Big work, limited resources

We can be discouraged & have fatigue due to strain in resources

If we depend only on what we have, there's little we can do; but if we give the little that we have to God, He uses it bountifully
