Reflection

- 1. How has believing in Jesus (the Cornerstone) and choosing to follow Him and/or obey him brought joy and difficulties to you as a Christian?
- 2. Are there times when your actions and thoughts show you don't value Jesus as much as God does?
- 3. How has 1 Peter 2:4-10 helped you appreciate more about your identity and privilege as God's chosen people?
- 4. As royal priests, how can you offer spiritual sacrifices to God in your life?
- 5. As the holy people of God, which areas in your life do you need to abstain from fleshly passions and live honourably?
