

# **JESUS IS GREATER**

Matthew 12

## **Introduction**

### **1 Out of a context of confrontations**

- a Charge with breaking Sabbath rules, Jesus shows he is greater ... (vv 1-14)
  
- b Charge with scheming with Satan, Jesus shows he is greater ... (vv 22-32)
  
- c Challenge to produce miracle on demand, Jesus shows he is greater ... (vv 38-45)

### **2 No one can remain undecided about Jesus (vv 30, 33-37, 46-50)**

### **3 Jesus's modus operandi in ministry (vv 15-21)**

## **Reflections**

Any challenge mounted against Jesus is an attack against his authority in some form.

No one can remain indecisive/agnostic against Jesus for long. Jesus does not allow option.

Like Jesus, our ministry should not be primarily confrontational or to draw publicity. Instead, we focus on people in need who need him.
