

DIVINE GOSPEL

Galatians 1:11-24

Introduction

Our confidence in the gospel is that, from the start, the gospel is from Christ, not from any human manipulation.

1 Paul's gospel came directly from Christ, not by any human agency, 1:11-14

2 Paul's gospel, upon God's gracious commission, had no input from others, 1:15-17

3 Paul's gospel needed no revision, even from those who first preached, 1:18-24
