

Galatians 3:1-14 Justification is by faith and not by works of the Law!

Context

1. Appeal to the Galatians' own conversion experience (Gal 3:1-5)

2. Appeal to Scriptural support (Gal 3:6-12)

a. The promise to Abraham (vv.6-9)

b. The teaching of the Mosaic Law (vv.10-12)

3. Assert that Jesus Christ is all we need for justification (Gal 3:13-14)

Conclusion

Reflection:

- How does your conversion and Christian life showcase God's gospel work in your life?
- How has today's passage helped you to articulate the gospel better and/or answer questions/objections to the gospel?
- Pray for a greater appreciation of the OT, to understand how it points to Christ and a greater appreciation of the NT, to understand how Jesus is the fulfillment.
